Contemporary One-Level Home in Thoms Estate

Built by Asheville's J.S. Miller Construction, this one-level home is located in North Asheville's gated Thoms Estate. The home features 5-inch white oak flooring throughout, antique brass fixtures, custom cabinetry, and LED art lights. High ceilings and views from nearly every room create an open, airy feel. The living room includes a multi-colored electric fireplace and modern built-ins, with direct access to a large screened porch overlooking the Blue Ridge Mountains and Beaver Creek. An attached uncovered deck provides additional outdoor space for grilling. The kitchen is equipped with top-of-the-line Thermador appliances, Metro Quartz countertops, and custom cabinet panels. The primary suite offers a large walk-in closet that connects to the laundry room, plus a bathroom with a frameless shower and separate soaking tub. The community provides access to miles of trails, athletic courts, a community garden and an Open Air Pavilion.
